Financial and Insurance Policy

Vertical Motion Physical Therapy, LLC

Insurance Benefits: It is the patient/guardian's responsibility to understand your insurance policy, as it is a contract between you and your insurance. As a courtesy to our patients, our office will call your insurance to obtain an estimate of your benefits. The coverage a patient will receive depends upon the quality of your chosen plan and an **estimate** that we provide you is based on the information we have received from your insurance company. It is not an authorization for your treatment, nor is it a guarantee of payment by your insurance company. Patients/guardians are responsible for paying all charges not covered by their insurance plans, including all fees considered above the insurance policy's usual and customary fee schedule. As the patient/guardian, you will be responsible for all costs regardless of what your insurance company determines usual and customary. **It is the insured's responsibility to know his/her insurance coverage for services provided at Vertical Motion Physical Therapy.** We encourage all patients to call their insurance companies as well to verify benefits.

Visit Limits: Some insurance plans have limits on the number of physical therapy visits that are covered during the plan year. It is the patient/guardian's responsibility to know what limits the insurance policy imposes, and how many visits have been used to date. Visits that exceed the allowed amount will be charged at our *Self Pay* rate, which is **\$85 per visit**.

Claims Submission: VMPT will submit a claim up to **two times** per appointment and follow up with claims not paid within 30 days. Further insurance appeals become the responsibility of the patient/guardian. Patients/guardians are responsible for insurance balances not paid within 60 days and unpaid balances will incur a \$10.00 monthly rebilling charge. It is VMPT's office policy that balances will not be carried longer than 90 days. If you have not made payment arrangements with VMPT we will refer your account to a collections agency. The patient/guardian authorizes VMPT to pass the necessary information for the purposes of collecting an outstanding balance. In the event that your balance is passed to collections, the patient/guardian agrees to pay VMPT an additional 50% of the balance due to offset the collections cost.

Cancellation Policy: We require *24 hours' notice by telephone* for appointment cancellations. *Cancellations without Notice* (less than 24 hours) and *No Shows* will be assessed a No Show fee of **\$40**. Exceptions will be made for illness (limit two times) and extreme weather only. Exceptions will not be made for personal scheduling conflicts that arise. Per Medicaid guidelines, **patients with only Medicaid** coverage cannot be charged a late cancel/no show fee. As a courtesy to our patients who are waiting for an appointment, our policy for Medicaid-only patients is to discontinue care should there be more than one no-show due to lack of patient compliance.

Supply Charges: Taping and Dry Needling are services we provide for which supplies *are not* covered by insurance. We will not bill insurance for these supplies, and the patient is responsible for related supply charges. Taping fees are a **one-time \$10** charge per body part. Dry Needling fees are **\$20 per session**, except the first (trial) session, which is free. Other supply charges may be assessed case-by-case.

I acknowledge that I have read and accept the above conditions.
